We are a family-owned and operated business that started in 2012. We specialize in craft beers (31 on tap), plus retail beer, wine and bourbon. We are known for our Signature marinated Tri-tip. You can purchase the tri-tip raw to BBQ at home and we sell it cooked and sliced by the pound. It's also served on our Tri-Tip salad and signature Tri-Tip sandwiches. We make a variety of Paninis and other made-to-order sandwiches. Our award-winning Burgers are made from Creekstone Farms Choice Black Angus Beef that we trim and grind in-house several times daily. The big pound patty is cooked fresh to order and topped with house-made sauces and fresh produce, topped off with brioche buns delivered daily from Truckee Sourdough
